Award Criteria -The intent of this award is to recognize outstanding contributions of Department of the Air Force flight surgeons. The nominee should have demonstrated an outstanding concern for operational personnel as indicated by unusual rapport with operators and by exceptionally effective support of an operational organization. The nominee should have a documented record of outstanding achievement in the aeromedical support of operators. Recognition and control of aeromedical hazards faced by operators, improvement of medical service to operators, or an investigative project promising improvement in the health or safety of a group of operators would warrant consideration.

Nomination Narrative - Please submit for accomplishments in the past calendar year, limited to one page. One-page letters of endorsement are required from the MTF/CC and operational Sq/CC. All submissions must be electronic, Times New Roman, 12 font.
